

## The Kaleidoscope Reel (1x80)

(A dance for four couples in a square set)

1-4 All four couples advance and retire.

5-8 All set to partner and turn right hand three quarters of the way round, the lady dancing under her partner's arm to finish, ladies facing into the centre, and men facing clockwise on the outside.

9-10 Ladies join hands in a circle and set, turning right about on the second step WHILE the men dance clockwise round the set, one place.

11-12 Ladies dance out, as men dance in, passing each other right shoulder, the men finish facing the centre, ladies facing clockwise on the outside. (first lady passes fourth man, second lady passes first man, third lady passes second man, fourth lady passes third man)

13-14 Men join hands in the centre and set, turning right about on second step WHILE ladies dance clockwise round the set one place.

15-16 Men dance out, as ladies dance in, passing each other right shoulder, the ladies finish facing the centre and men facing clockwise on the outside. (all pass partners)

17-24 Repeat bars 9-16. On the last bar the ladies pull right shoulder back and face out and the men face in (you should be facing partner).

25-32 First and third couples, and at the same time, second and fourth couples, dance right shoulder reels of 4 (up and down or across) joining left hands across in the centre, everyone finishing as at bar 24

33-48 Dance 16 bars of Petronella finishing as at bar 24 but ladies facing into the centre.

49-56 Men dance setting steps of their choice while ladies dance right hands across and then left hands across. Ladies finish facing the centre, men facing clockwise round the outside.

57-72 Repeat bars 9-24.

73-76 Set to partner and turn left hand three quarters, to finish in original places.

77-80 All 4 couples advance and retire.
